ALCATRAZ project; penetration of Bizonal agencies. Ideological orientation, and considerable social relations with US will make "control" in strict sense unnecessary. Direct contact by case officer either at Subject's residence, case officer's residence or neutral locality. No cover needed as normal employment justifies contact with US personnel. Cover for case officer and organization is EUCOM HQ political reporting office. No contract; given small amount coffee, cigarettes, occasional small luxury item, occasional coal during winter.

Subject's potential value primarily of SC nature tho at first thought both FR and SC. Targets: office and activities of Sovzone Central Administration for Interzonal and Foreign Trade representatives w/Bizonal Agencies; activities of communist representatives in Bizonal agencies; incidental info re communist activities in other German governmental agencies. Is nationalistic German but anti-communist and anti-Russian by social background, ideology and tradition. Threat from East w/conviction only US has power to resist it reason for his willingness to inform US. Demazification completed; is category V, acceptable for all positions. Derogatory info from FBI is potential control.

KA-2457 Too marginal a case, Subject never used; contact never resumed
Aug 48 by [] when [] returned to U.S. Knows [] and [] by real names, latter purely social contact.
No quit claim procured as agent never used.
